

CABIN

The spacious cabin interior includes seven (7) cushioned seats, with supple leather and sleek metal finishes that provide luxury and comfort to both passengers and driver.

The infotainment system is equipped with a dynamic 8-inch display complete with Bluetooth and USB connectivity for enhanced quality of entertainment.

FORM & FUNCTION

With multi-functional steering controls, rear air conditioning controls, powered driver and passenger seats, plus a folding third row, there are endless customizations to ensure your comfort in your Prado.

SAFETY

Standard safety features apply. Driver and passenger, dual knee, dual front side and curtain airbags.

ENGINE

The proven and powerful 2.8-litre Diesel engine (1GD-FTV) has been tuned for higher output and enhanced fuel economy.

FRONT HEADLAMPS

Striking LED headlamps provide sharp visibility and add to the Prado's classic sophistication.

REAR COMBINATION LAMPS

Multiple LEDs and surface emitting materials emphasize the bold design when illuminated.

ALUMINIUM WHEEL

18"/20" aluminium wheel
Super chrome metallic finish"
